The person we are looking for is professional and caring, comfortable working autonomously, and knows when to consult with the physician.

Duties include:

- Diagnosing and managing acute and chronic diseases of the digestive system.
- Providing treatment and education to patients.
- Working collaboratively with the healthcare providers, staff and referring community physicians.
- Functioning within the scope of practice defined by the Colorado Board of Nursing.

Requirements include:

- NP license in Colorado
- Appropriate education and certification credentials.
- Prescriptive authority DEA licensure
- Current BLS and CPR certification
- Minimum 3 years clinical experience as a Nurse Practitioner in gastroenterology
- Excellent communication and interpersonal skills
- Must demonstrate appropriate documentation skills. Previous experience with an electronic medical records system is required.
- CFG is a drug free environment and as such, candidates are required to pass a pre-employment drug screen before beginning employment.

Salary and benefits are competitive and commensurate with experience. Our employees enjoy health benefits, paid time off, and a generous 401(k) plan.
